**L**a Cumbre is Viña Errázuriz finest expression of Shiraz from our hillside vineyards, showcasing the world class potential of this grape variety in our unique Aconcagua Valley terroir.

### Winemaker's Comments:

La Cumbre 2005 is remarkable for its deep ruby-red colour with violet highlights, as well as its aromatic expression and concentrated palate.

Its ripe style features red and black fruits such as blackberry, accompanied by meaty notes of bacon, smoke, a light touch of caramel, and a bit of black pepper that lends a spicy note. This is a complex wine with dense concentration, soft tannins, and rich flavours that will evolve very nicely with proper ageing.
