VIÑEDO CHADWICK 2006

97 points

“The deep crimson-colored 2006 Vinedo Chadwick is a 100% Cabernet Sauvignon cuvee aged for 18 months in new French oak. It offers up an ethereal bouquet of toasty oak, scorched earth, incense, spice box, blackcurrant and blackberry reminiscent of a great vintage of Chateau Palmer (think 1961, 1966, 1970). On the palate it is silky, elegant, concentrated and already complex. With superb depth and grip, this succulent, plush effort will evolve for at least 10-15 years and offer prime-time drinking from 2020 to 2046”.

KAI 2006

96 points

“My favorite of the so-called icons is the 2006 KAI, a blend of 87% Carmenere with the balance Petit Verdot and Syrah. It reinforces my feeling that when grown in the right terroir and left to fully ripen, Carmenere is Chile’s most unique and possibly finest varietal. A saturated purple color, it offers up a brooding nose of cigar box, scorched earth, incense, black cherry, and blueberry. Plush, layered, and opulent, it has tons of flavor, great depth, and a very long finish. It is a wine for hedonists only!”

DON MAXIMIANO FOUNDER’S RESERVE 2006

94 points

“The 2006 Founder’s Reserve Don Maximiano is a blend of 82% Cabernet Sauvignon with the balance Cabernet Franc, Petit Verdot, and Syrah. It spent 18 months in mostly new French oak. Aromas of pain grille, pencil lead, Asian spices, incense, and blackcurrant are reminiscent of a classified growth Pauillac. Medium-to full-bodied in the mouth, the wine has a plush texture, plenty of ripe tannin, layers of spicy fruit, and outstanding concentration. This impeccably balanced wine will benefit from 5-7 years of additional cellaring and have a prime drinking window extending from 2015 to 2031”.

LA CUMBRE 2006

92 points

“The flagship wines start with the 2006 Syrah La Cumbre. A glass-coating opaque purple, it delivers a superb bouquet of balsam, smoke, game, black cherry, and blueberry. Elegant on the palate, it has a smooth texture, outstanding grip, incipient complexity, and a lengthy finish. Give it 3-5 years of additional cellaring and drink it through 2026”.
