Over 30 panelists from top restaurants and gastropubs participated in a blind tasting at the Sommelier Wine Awards to find the best in the fine wine, house wine and gastropub categories.

Don Maximiano Founder's Reserve 2007 was chosen 'Red Fine Wine of the Year' by the close to 20 sommeliers who participated in the Imbibe Live Tasting, beating out top-end reds from Bordeaux, Ribera del Duero, Burgundy and Tuscany.

Competition Director Chris Losh comments,

"In the fine wine section, it's no surprise that Meursault would win when it came to whites, but the fact that Errázuriz beat out red wines from places such as Tuscany, Châteauneuf-du-Pape and Bordeaux should cause people to rethink their prejudices."

Don Maximiano 2007

also scored high this year in the latest Wine Advocate review by Robert Parker, earning 94+ points. This score equals the 94 points awarded to the 2006 vintage in an earlier review, confirming this wine's consistent quality.
